## PAST PARTICIPANTS SPEAK. . .

“I had heard that the program was a great opportunity to network and build leadership skills but that doesn’t come close to describing the experience that I had building such strong, lasting friendships with a wonderful group of leaders and learning so in-depth about myself as a leader and a person. Truly an amazing experience!”

*Austin Hibler, Hamilton/Caldwell County*

“Leadership NWMO was better than I could have ever imagined. The time spent making connections with other leaders from the area and finding ways to improve myself were priceless.”

*Ashley Bugbee, Bethany/Harrison County*

“The experience was better than I ever could have imagined. Not only did we learn how to become a more effective leader, we learned more about our leading style and made some great friends along the way. Going forward, I have more confidence in my ability to lead due to this program.”

*Coby Keyes, Savannah/Andrew County*

“My experience far exceeded my expectations. I learned more about myself and developed approaches to leading that I had not thought about prior to the course. I am very grateful for the support and network that was developed and really look forward to continuing to work with the program.”

*Laura McFadden, Liberty/Clay County*

“I joined this leadership program at the recommendation of several of my friends. I knew that I would learn and grow, but I did not expect to gain a group of lifelong friends or to learn so much about myself as both an individual and as a leader. It has been a phenomenal experience!”

*Jessica Trussell, Chillicothe/Livingston County*
